

Southmead & Henbury Family Practice

Online Repeat Prescription Ordering/Appointment booking

If you have internet access and you are 16 or over, you may register to be able to

- Book, cancel or check a doctor's appointment
- Order Repeat Prescriptions

If you are interested in this service, please complete the details below and send/hand this document to the practice. You will need to allow us at least 48 hours to set up your registration and (for confidentiality reasons) bring it in to the surgery **in person** with proof of your identity (see list of options below). You will then be given the necessary information to allow you access to the online booking system.

Your registration form applies only to **you**. Please keep it secure to prevent anyone else from gaining access to your confidential details.
